### **Upcoming scheduled Board meetings:**

Thursday, May 21, 2020 (note this is one week earlier than usual)

The GSM Board consists of members who have a special interest in advancing the goals of our society, which include lectures, field trips, and community outreach. The Board currently has nine members, listed below. Our bylaws limit the terms of Board members to four years. We do that to encourage a turnover of perspectives and ideas. The Board typically meets quarterly, with meeting dates scheduled for the second Thursdays of February, May, August, and November. However, the Board will schedule a different date when conflicts arise. We typically meet between 7:00 & 9:00 PM at the Minnesota Geological Survey building.

Board meetings are open to all members of GSM. So, whether you are a new
